# Two-week free trial...

timeware® UK Ltd offers a free two-week trial of Suprema Inc. attendance devices to timeware® software customers using outdated attendance hardware. The trial features face-recognition, fingerprint, or proximity capabilities, and includes installation by a technician who enrols employees' biometric or proximity data.

A network point that supports PoE is required.

The trial allows timeware® software customers to experience the benefits of advanced attendance devices and their potential to optimize workforce management.

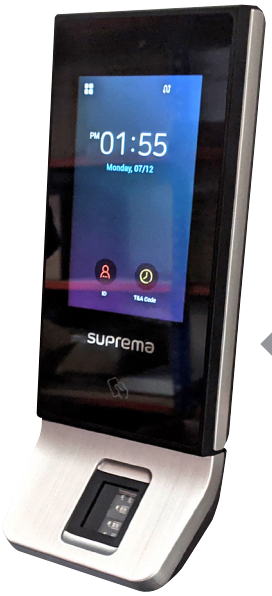
Device Overview

**BioStation 3**

Face recognition and proximity device with large display.

**X-Station 2**

Proximity device with large display.



**X-Station 2**
